

### Remarks

Several paragraphs and have been amended to consistently recite the "photoreceptor potential well" as element 234, and the "integration potential well" as element 238. In addition, the paragraph on page 7 beginning at line 18 has been amended to include the structure set forth for the controller recited in the second paragraph of the specification, page 7, and in the originally filed claims 1 and 5.

Respectfully submitted,
